

SEEKING WOMEN AND MINORITY ENGINEERS FOR SERVICE LEARNING

Interested in joining our online community to support middle school math and science teachers in Prince George's County, Maryland to develop and perform engineering design challenges?

Drop in for a webinar from 11AM-12PM on Feb. 9th

mingle with other engineers, STEM teacher educators, and engineering students of all disciplines across the nation

Please RSVP for the lunch webinar at: <http://goo.gl/forms/4YJweu60ih>

Please contact Dr. Khalil (Howard University) & Dr. Kier (William & Mary) at e.communities.pgcps@gmail.com for more information
